Letter Writing to the Armed Forces (Grade 9 & 10)

Dear Parents,

Greetings!

As part of our Independence Day celebrations, students of Grade 9 and 10 will participate in a "Letter to the Armed Forces" activity.

Instructions:

Each student will write a heartfelt letter expressing gratitude, respect, and patriotism to the brave soldiers of India.

The letter can be written in Hindi or English.

Students will write the letter in their home on the paper.

Subject teachers will guide the students during their class periods to help with the format, language, and ideas.

These letters will be posted to the Indian Armed Forces as a gesture of appreciation from our school.

Students must submit their letters on or before 12th August.

Let's take this opportunity to thank our real-life heroes who protect our nation selflessly!

Warm regards

Principal
