Mother's Day Celebration

Grades: 7 to 10

Dear Parents,

Greetings!

Mother's Day is a special occasion to celebrate the love, strength, and unwavering support of mothers in our lives. To honor this beautiful bond, we have planned a series of creative and meaningful activities for our Mount Literans of Grades 7 to 10 on Sunday, 11th May 2025.

A list of the following activities will help students express gratitude and create cherished memories with their mothers:

List of activities

1. "Mom's Recipe, My Version"

Activity: Students recreate their mother's favorite recipe—either exactly or with a fun twist—and present it with a photo and a creative recipe card.

2. "Thank You Tree" Craft

Activity: Students create a tree using paper cut-outs where each leaf has a "thank you" message for things their mother does for them.

Twist: One branch can be dedicated to "Mom's Dreams" showing what the student will do to support her dreams.

3. "Mom in a Frame" – DIY (Do IT Yourself) Photo Frame Craft

Activity: Students make photo frames using recycled materials and insert a photo or drawing of their mom.

Submission Guidelines:

Students are requested to choose any one activity from the above list to participate in.

Submission Date : 11th May 2025

Format: Share video/ audio clip or photos to your respective class teacher via WhatsApp.

We encourage all parents to support and participate in this celebration of motherhood, making it a memorable experience for both students and their beloved moms.

Warm regards,

Principal
