## About First In Math

Dear Parents, Students & teachers,

Greetings!

We are participating in the 'Math Achievers League' across all Mount Litera Zee Schools in collaboration with the globally acclaimed First in Math (FIM) from 27th JAN to 12th February

Why?

A celebration of thinking, persistence, and joyful learning - bringing together students, teachers, and school communities in a shared journey of mathematical excellence.

About First In Math

First in Math® is created by renowned American inventor Robert Sun and is currently implemented in over 10,000 schools worldwide.

The program is research-backed and proven to empower students by strengthening:

↕Mathematical Fluency ↕Critical Thinking ↕Problem-Solving Skills ↕Collaboration ↕Computational Thinking

How?

Parents, teachers, and students play on the First In Math online program using their SCHOOL CODE to make their school a CHAMPION problem-solver!

Use the following details to play.

Visit: [www.firstinmath.in](http://www.firstinmath.in)

Username: lovemath

Password: WMHMH-1124

For more details, check the guide attached.

Enjoy your interaction with innovation.
