Subject: Parent Connect & Observation Day: Nursery to Snr Kg

Dear Parents,

We are delighted to inform you that our school will be organising a "Parent Connect & Observation Day" on **15th October 2026**.

This special programme is exclusively planned for Fathers and their children, with the objective of strengthening the beautiful bond between a father and child through meaningful interaction, creative activities, and quality time spent together.

The programme will also provide an opportunity for teachers to observe the child's participation, interaction, confidence, and bonding with the parent.

We sincerely encourage all fathers to attend and actively participate with their child. However, if the father is unable to attend due to unavoidable circumstances, the mother may join the programme with the child.

Theme: TRANSPORTATION

Time: 9:30 AM to 11:30 AM

Venue: Respective Classroom

Materials to be Brought:

Nursery: Art papers, colours, and necessary stationery to create any mode of transport of the child's choice.

Jr. KG: Clay and necessary stationery.

Sr. KG: Any waste/recyclable materials such as plastic bottles, cardboard etc along with necessary stationery.

We look forward to the enthusiastic participation of our fathers and little ones in making this a joyful and memorable bonding experience.

Your presence matters. Your participation creates memories.

Warm Regards
