Dear Parents,

Greetings!

As you are aware, the Periodic Progressive Assessment is being conducted every month. Please note that no re-examination will be conducted for students who remain absent on the scheduled assessment days.

Re-examination will be considered only in genuine medical cases, and parents are required to submit a valid medical prescription for the same to the class teacher. In all other cases, the assessment of that day will not be taken.

This notice is issued as per the directions of our Principal Sir. Kindly ensure your child's presence during the assessment days.
