Circular – Club/Hobby Activities for Pre -Primary the academic year 2025-26

Dear Parents,

Greetings from MLZS Chikhali!

We are excited to inform you that Mount Litera Zee School, Chikhali, will be conducting hobby activities specifically designed for our pre-primary students. These activities will be held every Saturday during school hours, starting from July.

At this tender age, children and parents may not yet be aware of the child's specific interests. To help in identifying and nurturing their potential, we have made participation in all the activities compulsory for all pre-primary students. The activities are:

1. Dance
2. Art and Craft
3. Music
4. Skating

Our teachers will closely observe the children to identify their areas of interest and inform you accordingly. This will help in the early development of their skills and talents.

Activity Schedule:

- **Saturdays: Dance, Art and Craft, Music, and Skating**

These activities are designed to provide a well-rounded experience and foster a love for learning and creativity in your child.

We appreciate your cooperation and support in making this initiative successful for the benefit of your child's development.

Warm regards,

Ms. Riya Kapoor
