Subject: Transition Guidance Session for Grade III parents

Dear Parents,

As your child steps from Grade II to Grade III, they enter an important phase of their academic journey. As students move from the Foundation Stage to the Preparatory Stage, they begin to develop independent learning habits; strengthen their reading, writing and numeracy skill; take on greater academic responsibilities and build critical thinking and problem-solving abilities.

With the right guidance and encouragement from both school and parents, this transition becomes smooth, enjoyable, and meaningful. To support parents in understanding this significant transition and to help them guide their children effectively the school is organizing a Transition Guidance Session in school.

Details of the Session:

Grades: III A, III B, III C, III D	Grades: III E, III F, III G, III H
Date: Thursday, 13th August 2026	Date: Friday, 14th August 2026
