## Nature's Day Celebration for Pre -Primary

Dear Parents,

Greetings!

We are excited to celebrate  Nature's Day with our pre-primary students on Friday, 25th July 2025 .

This special day aims to help children understand the importance of nature, including trees, plants, animals, fruits, water, air, sky, and all natural resources around us.

Activities related to nature will be conducted in class, including storytelling, art, rhymes, and nature walk .

Dress-Up !

We request you to dress up your child in any nature-themed costume that reflects elements like:

Flower   Animal   Fruit   Rainbow   Tree   Butterfly   Sun   Water Drop

Let your child's costume celebrate the beauty of nature!

✦Special Announcement for Senior KG:

Children of Senior KG will speak 1-2 lines about what they are dressed as or what they love about nature.

Let's make this day a joyful, colorful, and meaningful  experience for our little ones as they connect with the wonderful world of nature!

With regards,

Principal
