Mother's Day Celebration

Grades: 3 to 6

Dear Parents,

Greetings!

To all the Tough, Hardworking, Patient, Loving and All-round, Amazing Moms out there ✨

Mother's Day is a special occasion to celebrate the love, strength, and unwavering support of mothers in our lives. To honor this beautiful bond, we have planned a series of creative and meaningful activities for our Mount Literans of Grades 3 to 6 on Sunday, 11th May 2025.

A list of the following activities will help students express gratitude and create cherished memories with their mothers:

1. "My Mom - Superwoman Comic Strip"

Activity: Create a comic strip showcasing their mother as a superhero handling day-to-day challenges creatively.

Tools: A4 sheets or Canva/Storyboard (for digital submissions).

2. "Reverse Role Day"

Activity: Students do something their moms do for them—like preparing a simple snack, folding laundry, or tidying up—and document it with a photo or short note.

Digital Submission - Make a collage titled "I Did It for Mom!"

3. "Mom in a Frame" – DIY (Do IT Yourself) Photo Frame Craft

Activity: Students make photo frames using recycled materials and insert a photo or drawing of their mom.

4. "My Mom's Super Skill" Talent Show

Activity: Students showcase a skill they learned from their mom—cooking, singing, art, dance etc.—and present it.

Activity - Include a short audio or video clip of the mom sharing how she taught it.

Submission Guidelines:

Students are requested to choose any one activity to participate in.

Date :11th May 2025

Format: Share video/ audio clip or photos to your respective class teacher via WhatsApp

We encourage all parents to support and participate in this celebration of motherhood, making it a memorable experience for both students and their beloved moms.

Warm regards,
