

## APPRECIATION LETTER

13th August 2025

Dear Parents,

Our hearts are filled with joy and gratitude as we recall the beautiful moments from our Independence Day and Janmashtami celebrations. Seeing the children dressed in such vibrant colours and traditional attire was truly a sight to behold — and it was possible only because of the love, care, and effort you put in.

Your involvement turns every school event into a cherished memory for the children. Thank you for standing beside us in this journey of making learning not just informative, but also meaningful, joyful, and full of experiences they will treasure forever.

With heartfelt appreciation,

Principal

Mount Litera Zee School, Jabalpur
