## PARENT TEACHERS ASSOCIATION 2025-26

### MINUTES OF THE MEETING

The PTA meeting was held on 18.09.2025 and the following points were discussed.

The Principal welcomed all the committee members and briefed about the objectives.

The PTA's vision and mission were explained in detail to all members.

The PTA's aims, objectives, and responsibilities were briefed to all members.

The main purpose of having a PTA is to establish a bridge between parents and teachers for the smooth running of the school without any problems.

Discussions also included the importance of parent-teacher-student relationships and their collective cooperation in all aspects to create a balanced approach to one-on-one interactions.

To improve the communication skills among students, parents' cooperation is very much required.

All parents should give their full support for active participation in extracurricular activities (ECA) and sports and games.

All members are expected to be visible collaborators for teachers in matters concerning bullying, poor mental health, and academic pressure, providing full support for a safe environment.

Parents and teachers should collectively work to make students feel more supported in terms of discipline and motivated to put forth their best effort.

Lastly, the Secretary thanked all members and emphasized that the Parent Teacher Association is not only an organization but an amalgamation that acts as a backbone in any successful school.
